I thought you might like to try a unique business research service called "KnowledgeMap", which is essentially an information dossier responsive to a specific query. We at SmartAnalyst, Inc. have prepared KnowledgeMaps on a wide range of business subjects and believe that National Governors' Association could benefit from this service.

The KnowledgeMap product addresses the need for rapid, comprehensive, and inexpensive research. Our clients include international consulting firms, investment firms, Fortune 500 companies, and market research companies. They have found our KnowledgeMap product to be extremely beneficial.

For more information and request a trial of this service, please visit www.smartanalyst.com, or contact me directly by e-mail.

I look forward to hearing from you.

Sincerely,

Anne Kennedy
